3. Click on schedule an appointment and fill out your information (3 pages of information) Select Age 16+ with high risk conditions if that applies to you, check here <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html>

Before we schedule your vaccine(s)

For the safety of other customers and our employees, let's first get these familiar questions out of the way. Please answer this brief COVID-19 questionnaire for the person being scheduled.

All fields are required.

1. In the past 14 days, have you tested positive for COVID-19?

Yes

No

2. In the past 14 days, have you been in close contact with anyone who tested positive for COVID-19?

Yes

No

3. Do you currently have fever, chills, cough, shortness of breath, difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, nausea, vomiting, or diarrhea?

Yes

4. Enter your zip code if there are available slots near you it will yield no results. If you see a town with available supply (from step 2) and are comfortable driving to that town to receive dosage you can input that town's zip code and schedule accordingly.

Schedule dose

Choose where and when you want your vaccine appointment. Once you select a time slot, we'll hold it up to 30 minutes while you complete registration.

We'll show only pharmacies within the location you chose when determining eligibility.

All fields are required.

Search a ZIP code or city & state

Search by entering your 5-digit ZIP or your city & state. For example, "02124" or "Boston, MA".

[Cancel](#)

5. Once you find a location with available supply you can finish creating your appointment and be on the path to vaccination!

23.97 mi

28 NORTH CLAUDE A LORD BLVD
